Dear Mr and Mrs Manley.

Since returning to Harrisburg I tried to see Mr. Note. Frank regarding the Baseball game we spoke about.

He has been out of city with Golden glove Bnys as soon as he returns I will personally contact him and advise you when to meet him here in Harrisburg Pa.

Yesterday in Hershey Penna. I learned that the New Stadium will not be used this season at all. They are trying to get it ready in time for Prof. Football early in September and will not use it all summer. In another year I feel it will be used as they are installing lights so I do not believe it will be an entirely lost cause to play at Palmyra this season and try for Hershey next year. Will write you on Friday after I talk with "Frank" regarding the promotional idea Mr Manley suggested.

Sincerely

Bob. Rose.
